Guidelines to Industry to curb pollution

1726. SHRI PARVATHANENI UPENDRA: Will the Minister of INDUSTRY be pleased to state:

(a) whether any detailed guidelines have been laid down by his Ministry for the various industries to take effective measures to curb pollution; and

(b) if so, the details thereof and the results achieved so far?

THE MINISTER OF STATE IN THE DEPARTMENT OF INDUSTRIAL DEVELOPMENT (SHRI M. ARUNACHALAM): (a) and (b) With a view to ensure that the various industries take effective measures to curb pollution, a number of steps have been taken by the Government.

(I) In the letter of intent issued to undertakings for setting up fresh industrial capacities, a condition is invariably stipulated to ensure that the undertakings take adequate steps to the satisfaction of the Government to prevent air, water and soil pollution.

(II) In respect of chemicals, drugs and pharmaceuticals industries which involve "process hazards" an additional condition is imposed in the indusirial approvals to ensure safety in plants before going into trial production. In respect of the 20 highly polluting industries, the following stringent conditions have also been incorporated in the letters of intent issued to the undertakings:

(i) The State Director of Industries confirms that the site of the project
